

# Good Clean Fun, Forget Your Platitudes

All those years,  
You turned your back and now you're out of here,  
Still doesn't mean that you were insincere,  
And in my heart I hope that some things still hold true for you,  
If I ever chose to follow you, I did so for myself,  
No apologies, you don't need to make excuses for yourself,  
Turned away,  
Forget the things you said in younger days,  
And now you tell me it was just a phase,  
But in my heart I hope that some things still hold true for you,  
Does the flame still burns? Are you true till death?  
Can you say for certain you won't end up like the rest?  
Times and people change, bonds of friendship break,  
But still nothing can take away the changes that we make,  
OR THAT WE'VE MADE!
