Skoodilabada
Skadoodidilabadap!

I got me tails and tophat
Black shiny shoes and silver cane
A 1930's Bently
A butler with the dumb name

A white as tight as moonjune
A band a tight as Mancini
A show with ten toe-tappers
A girl like Ginger Snappers

I don't wanna be no rock star
Knock out the heavyweight champ
I just wanna find me a pretty partner and dance

(Bada! Bada!)

I wanna dance all those tables
Slide through the heat of my pants
I gotta find a girl like Betty Grable and dance

Weeelll - got me tails and tophat
Black shiny shoes and silver cane
A 1930's Bently
A butler with the dumb name

A white as tight as moonjune
A band a tight as Mancini
A show with ten toe-tappers
A girl like Ginger Snappers!

(Instrumental solo)

Don't wanna be no rock star
Knock out the heavyweight champ
Just wanna find me a pretty partner and
Dance, Dance, Dance, Dance, Dance!
Dance, Dance, Dance, Dance, Dance!

(Instrumental solos)
