

Good Rats, Tough Guys

(Machine gun fire)

Eddie, I'll always remember
The way that you handled the good and the bad
Mother of mercy
Is the end of Rico
Oh, no

CHORUS

Tough guys (tough guys)
Always benn my kind of men (tough guys)
D-d-doin' the things that I can't
Tough guys

Look at the way Jimmy treats them
Pushing a grapefruit
Right into her face
"You dirty rats, I'm gonna get you for that", he says
He sighs

CHORUS

Let's not ignore
The greatest of all
Ladies and gentlemen
Spencer Tracy

Bogie I've always dug your crowd
The fat man and Peter
And Claude and the rest

Play it again, Sam
These falcons have gone
To their nest
Oh, yes

CHORUS (2x)
