

Good Shoes, Wait

Wait I've got something to say and
Wait I think there is something going wrong

I know I know I know I know but then again I really really dont know

Wait, stop, look, listen to what I've got to say
Everything around here seems to be going your way
I know I know I know I know but then again
I really just dont care
"Two times one, two times one!" he shouted into his phone
You just dont understand a thing
I wish things had started before they finished

Wait, stop, look, listen to what I've got to say
Everything thats happened recently has been your mistake
I don't think that you could be anymore arrogant
I'm in control
No I'm in control but then again I've lost all of my control

"Two times one, two times one!" he shouted into his phone
You just dont understand a thing
I wish things had started before they finished
