

# Goodnight Nurse, Loner

Something's driving me crazy  
And I don't know what to do  
I try to be cool round ladies  
But I'm just not that smooth

Tongue-tied  
I run and hide

(Hey)  
I don't wanna be a loner all my life  
(No)  
But I shit myself whenever I see you  
(Hey)  
And I really don't know what I'm gonna do  
(Hey)  
I don't know what to do

I wish I wasn't like this  
When you are in the room  
Your friends are taking the piss  
Before I talk I'm doomed

Tongue-tied  
I run and hide

(Hey)  
I don't wanna be a loner all my life  
(No)  
But I shit myself whenever I see you  
(Hey)  
And I really don't know what I'm gonna do  
(Hey)  
I don't know what to do

I don't know what to do  
I don't know what to do  
I don't know what to do  
I don't know what to do  
I don't know what to do  
I don't know what to do  
I don't know what to do  
I don't know what to do

(Hey)  
I don't wanna be a loner all my life  
(No)  
But I shit myself whenever I see you  
(Hey)  
And I really don't know what I'm gonna do  
(Hey)  
I don't know what to do

(Hey)  
I don't wanna be a loner all my life  
(No)  
But I shit myself whenever I see you  
(Hey)  
And I really don't know what I'm gonna do  
(Hey)  
I don't know what to do
