looking for one young male
sensible and reliable

with two very attractive, tidy, well cared for triumph 2000's
one convertible in excellent condition
please ask for one fine weasel

"slip away should I stare any longer
away with the fairies from over yonder"

"two scoops, please" said one doctor to the other
don't cry that way just a few seconds longer
later again show me your face it's a state of place
but I don't wanna play this game anymore

"slip away should I stare any longer
away with the fairies from over yonder"

somewhere here again over the rainbow silverbeet and cheese the taste for this place
we're driving down the highway full tit with a grin
watch out the mullets catching up
he's sure to have a better sound system than you

away with the fairies from over yonder"
