

# Goon Moon, No Umbrellas

Another haunted summertime  
Feels like 1985, to her  
Uh huh  
Can anybody wonder why  
I see the sunset in her eyes?  
Uh huh

She's gone soft now  
She's gone wise  
She's not like the other girls

She's gone soft now  
She's gone wise  
She's not like the other girls

Another haunted summertime  
Feels like 1985, to her  
Uh huh  
Can anybody wonder why  
I see the sunset in her eyes?  
Uh huh  
Oh yeah

She's gone soft now  
She's gone wise  
She's not like the other girls

She's gone soft now  
She's gone wise  
She's not like the other girls

She's gone soft now  
She's gone wise
