

Goon Moon, Pin Eyed Boy

I pray that I won't see the sun
I've got a pocket full of gum
Yum
It matters if you steal or run
When you're young

I was a pin eyed boy (I lied)
I was a pin eyed boy (I lied)
I was a pin eyed boy (I lied)
I was a pin eyed boy

Don't call me, count the cookies type
I take what's mine, I know what's right
And its right

I was a pin eyed boy (I lied)
I was a pin eyed boy (I lied)
I was a pin eyed boy (I lied)
I was a pin eyed boy

Rocking Charlie Horse
On a jet plane
Slide the gas clouds
Through the window
See the rain fall
Through the window

I was a pin eyed boy (I lied)
I was a pin eyed boy (I lied)
I was a pin eyed boy (I lied)
I was a pin eyed boy (I lied)

I was a pin eyed boy (I lied)
I was a pin eyed boy
