

Gordon Haskell, Whole Wide World

To dedicate my life to you
Is just about the best thing I can do
Anything you want, anything you need
Ill be the best that I can be
Ill celebrate my love for you
Coz loving yous an easy thing to do
Any time you call for anything at all
I want to be the one to be there every night
Alone with you
I wanna be the one you choose to be with
Couldnt bear to live without you now
In the whole wide world, in the whole wide world
I just wanna give you all the love
In the whole wide world
Every place I go
And every face I see
In the whole wide world
Youre the world to me
I celebrate the day we met
Coz meeting yous a day I wont forget
For stepping off the train
For calling out my name
Im forever in your debt
If all my wishes could come true
My only wish would be to be with you
I dont wanna spend lonely nights again
I wanna be the one to be there every night
Alone with you
I wanna be the one you choose to be with
Couldnt bear to live without you now
In the whole wide world, in the whole wide world
I just wanna give you all the love
In the whole wide world
Every place I go
And every face I see
In the whole wide world
Youre the world to me.
In every place I go
And every face I see
In the whole wide world
Youre the world to me
In the whole wide world, in the whole wide world
I just wanna give you all the love in the whole wide world
And every place I go and every face I see
In the whole wide world
Youre the world to me
