Gorilla Biscuits, Big Mouth

Friendship - To you it means nothing Time and time again you betray friends With lies - and your go It's your big mouth and it's getting on my nerves you know I wish you'd just shut it up It's your big mouth you know I want to trust you but I can't Your word's not given, it's lent. My advice to you - is to start It's your big mouth and it's getting on my nerves you know I wish you'd just shut it up. It's your big mouth you'd just shut it up. It's your big mouth you'd just shut it up. It's your big mouth you'd just shut it up. It's your big mouth you'd just shut it up. It's your big mouth you'd just shut it up. It's your big mouth you'd just shut it up. It's your big mouth you'd just shut it up. It's your big mouth you'd just shut it up. It's your big mouth you'd just shut it up.
