

Gorillaz, Every planet we reach is dead

I lost my leg like I lost my way
So no loose sounds
Nothing to see me down
How are we going to work this out?
Dreams aren't bad, I had turned back
I love the gun
But God only knows it's
Getting hard to see the sun coming through
I love you...
But what are we going to do?
Picture on the dreamer
I'll take you deeper
Down to the sleepy glow
Time is a low..
Don't you know?
What are we going to do?
When you go back
All the second selfless days
You're in love with him
I want to see you again
I love you...
But what are we going to do?
