Shopa shopa shopadop, feel good
Shopa shopadop, feel good
Shopa shopadop, feel good

2D feeling down to the camera's vibe
You just have to go cos you don't know what
I know you feel the stress, just appealing to be
And you don't get overcounted cos it's down out on me

You got a new horizon it's ephemereal style
The devil killed this town cos I'm never home
And on and on it breaks till they fall asleep
My dreams they gotta kissin' cos I don't get to sleep, no

Windmill, windmill for the land
Turn forever hand in hand
Take it all in on your stride
It is ticking, falling down
Everybody got their style
And thoughts of downin' make me mad
Windmill windmill tell the soundin'
I'm aching for the ground
