

Gorillaz, Ghost Train

Here they come to steal my soul
Ghost train
Wait it out until I know
Ghost train
Trying not to feel like...
Ghost train
Moving up until I go go
Ghost train
She was not...
Ghost train
Trying to hear in my heart
Ghost train
Trying not to feel like...
Ghost train
Moving up until I'm taught to your side
Ghost train

Yeah yeah yeah
Ghost train

Got suicide for my baby
Ghost train
Living up until I'm...
Ghost train
Seeing like I'm...
Ghost train
Moving up and taught I'm a weapon
Ghost train
Yeah yeah yeah yeah yeah
Ghost train
Yeah yeah yeah yeah yeah
Ghost train
I see myself pretend how to get there
Ghost train
... down a poisoned ...
Ghost train

Come on come on come on!
Ghost train!
Come on come on come on!
Ghost train train train

Got suicide for my baby
Ghost train
Living up until I...
Ghost train
Seeing like I'm...
Ghost train
Moving up and taught I'm a weapon
Ghost train
Yeah yeah yeah yeah yeah
Ghost train
Yeah yeah yeah yeah yeah
Ghost train
I see myself pretend how to get there
Ghost train
... down a poisoned ...
Ghost train

(middle bit...)

Come on come on come on!
Ghost train!
Come on come on come on!

Ghost train!
