

Gorillaz, Sound Check Gravity

Gravity
on me
never let me down
Gently
gravity
with me
never let me go
no no
Gravity

I don't pull me down
I don't pull me down on me
I don't pull me down
I don't pull me down on you

I don't pull me down
I don't pull me down on me
I don't pull me down
I don't pull me down on you

Gravity
on me
never let me down, purely
Gravity
with me
never let me go
no no
Gravity.
(song combines lyrics in last verse)
