Gorillaz, The Swagga

Wooh! Wooh! Wooh! All right!

I wanna be your teacher in the team Get to come in naked, cause it's clean I wanna be your make-up, with the seam Just take a shaker, make it mean

I won't get over the damn Cause it's just like that old mile Every four o' clock in the morning I think I'm gonna die

Check I'll hold you I wish it was you Gotta get a cat up a CK Cause that's where we're at Gotta give a car the beetles Cause they're just sad

But I won't get over it now Cause it's half-drawn on the shout It could be four o' clock in the morning If you wish it'd got no style

I gotta shit out like I was never
On the fallest town to be
I could wish this way forever
But I ever gonna be clean
No, I can't get shot
Albeit, no!
I can't get shot
Albeit, no!
I can't get shot!

Wooh!

Wanna grow to keep it in June Gonna make it easy for you Wanna be the carever in the coal Just get this on with Everything the kids enjoy

But I won't get over it soon Cause there ain't light at full noon Cause at four o' clock in the morning I got cheering up to do If not, you get a real shot It's just like walls I never drived

But I go: "Wooh!" I just go: "Wooh!" We all go: "Wooh!" Yeah! We all go: "Wooh!" All right!
