

# Gospel, I Say Praise To The Lord

I say praise to the Lord,  
For all I have received.  
Whenever I need help,  
It is always received.

The Lord gave me vision,  
And the life that I live.  
Whatever it is he needs,  
Are the things I will give.

I strayed from his path,  
But he's taken me back.  
I say praise to the Lord,

He put me back on track.

When you are a lost soul,  
And have no place to go.  
The Lord is always home,  
You don't have to be alone.

I strayed from his path,  
But he's taken me back.  
I say praise to the Lord,  
He put me back on track.
