## Gossip, Careless Whisper

I feel so unsure as I take your hand an lead you to the dance floor. As the music dies something in your eyes Calls to mind a silver screen and you're its sad goodbye. I'm never gonna dance again guilty feet have got no rhythm

Though it's easy to pretend I know you're not a fool. I should have known better than to cheat a friend

And waste a chance that I've been given. So I'm never gonna dance again the way I danced with you. Time can never mend the careless whispers of a good friend. To the heart and mind ignorance is kind. There's no comfort in the truth pain is all you'll find. I'm never gonna dance again guilty feet have got no rhythm

Never without your love. Tonight the music seems so loud I wish that we could lose this crowd. Maybe it's better this way

We'd hurt each other with the things we want to say. We could have been so good together

We could have lived this dance forever

But now who's gonna dance with me? - Please stay. And I'm never gonna dance again guilty feet have got no rhythm

No dance no dance no dance you're gone - no dance you're gone. This matter is so wrong so wrong that you had lo leave me alone.
