baby, baby, baby, baby,  
i could be so good to you, baby  
but honey, honey, honey, honey,  
all you gotta do is let me, but you gotta tell me if something's wrong  
and daddy, daddy, daddy, daddy,  
i could spent my whole life waiting  
but honey, honey, honey, honey,  
how long till you both get me?  
'cause it ain't right to keep me hanging on  
you weren't ready,  
so i waited till you were ready  
and you couldn't steady,  
so i waited till you could steady  
and you weren't here, babe  
so i waited here, babe  
and now that you've got me, what are you gonna do to keep me?
