

# Gossip, Fire With Fire

It ain't the end of the world girl  
You'll find your place in the world girl  
All you gotta do is stand up and fight fire with fire

Big or small makes no difference  
We're gonna tell them what shape you'll be  
All you gotta do is stand up and fight fire with fire

You gotta run on  
We're gonna find you  
Who-ho-oh  
You turn around  
We're right behind you  
Yeah-eh-ey  
Can't you see that the bigger we are the harder you'll fall

Now it ain't the end of the world girl  
You'll find your place in the world girl  
All you gotta do is stand up and fight fire with fire

In the end no one is innocent  
Big or small it makes no difference  
Get up, stand out and hold your head up higher and higher - higher

You gotta run run  
We're gonna find you  
Who-oh-oh  
You turn around  
We're right behind you  
Yeah-eh-ey  
Can't you see that the bigger we are the harder you'll fall
