

# Gossip, Get A Job

I'd love to stay and party but I gotta go to work  
I'd love to stay and party but I gotta go to work  
I'd love to stay and party but I gotta go to work  
Work, work, work, work, work, work, work, work?

I hear you laughing but I don't think it's funny  
What good can happen spending other people's money?  
But, you better get a job

It was adorable when you were in your 20's  
Not so cute anymore, now that you're pushing 30  
You better get a job

But you never know, how it's gonna go  
How it's all gonna end up tomorrow  
You gotta try, try, try  
I know it's hard but,  
You never know, how it's gonna go, end up tomorrow  
You gotta try, try, try

Girl, you better get a job,  
Oh girl, you need to work real hard

Just had your hair done, but when I ask you for the rent  
Poor little rich girl, you don't know where the money went  
You need to get a job

What kind of life is it, when every day's a weekend  
How quickly we forget, when I'm at work you're sleeping in  
You need to get a job

But you never know, how it's gonna go  
How it's all gonna end up tomorrow  
You gotta try, try, try  
I know it's hard but,  
You never know, how it's gonna go, end up tomorrow  
You gotta try, try, try

Girl, you better get a job,  
Oh girl, you need to work real hard

I'd love to stay and party but I gotta go to work  
I'd love to stay and party but I gotta go to work  
I'd love to stay and party but I gotta go to work  
Work, work, work, work, work, work, work, work?

Who's gonna hire you with your lack of experience  
Who's gonna wire you, the last of your inheritance

Girl, you better get a job,  
Oh girl, you need to work real hard  
[x2]

But you never know, how it's gonna go  
How it's all gonna end up tomorrow  
You gotta try, try, try  
I know it's hard but,  
You never know, how it's gonna go, end up tomorrow  
You gotta try, try, try
