## Gossip, Standing In Way Of Control

Your back's against the wall There's no one home to call You're forgetting who you are You can't stop crying It's part not giving in Part trusting your friends You do it all again and I'm not lying

Oh oh oh Standing in the way of control Yeah live your lives By the only way that you know, know

I'm doing this for you Because it's easier to lose And it's hard to face the truth When you think you're dying It's part not giving in And part trusting your friends You do it all again but you don't stop trying

Oh oh oh Standing in the way of control Yeah live your lives By the only way that you know, know

Oh oh oh Standing in the way of control We'll live our lives Because we're standing in the way of control We will live our lives Because we're standing in the way of control We'll live our lives Because we're standing in the way of control We will live our lives, lives, lives

Your back's against the wall There's no one home to call You're forgetting who you are You can't stop crying It's part not giving in And part trusting your friends You do it all again, you don't stop trying

Oh oh oh Standing in the way of control Yeah live your lives By the only way that you know, know
