Gotthard, Everything I Want

The nights are growing longer now And I can't think of anything but you Do you feel the same way too

Outside the windows, leafs are brown Like words of passion falling down, it's true The one's I've never heard from you

Remember, love was such an easy game to play Those days are flown a million miles away

Now everything I want Everything I do Is trying to find myself again 'cause life can be so cruel For anything I've done And things that I did wrong I'm asking to forgive me 'cause it's obvious I'm guilty of loving you

I'll take the chance, this is my life I'm gonna make the best of what I am I really need to understand

And should I fail or recognize The mirror's not reflecting what I want to see Someone else inside me

I'm stepping out the edge, I'm on the borderline Ain't gonna make the same mistakes this time Now everything I want Everything I do Is trying to find myself again 'cause life can be so cruel For anything I've done And things that I did wrong I'm asking to forgive me 'cause it's obvious I'm guilty of loving you Guilty of loving you

Now everything I want Everything I do Is trying to find myself again 'cause life can be so cruel For anything I've done And things that I did wrong I'm asking to forgive me 'cause it's obvious It's clear that I was guilty of loving you
