

# Gotthard, I'm Alive

Take a jump into the sweetest marmalade  
Flavors of which life is made  
Realize , don

Gonna rise,  
When I feel the heat is on and I  
That

Look at me, I walk on air  
I can fly and I don  
Do it all , I

Gonna rise,  
When I feel my body tremble with desire  
That

Gonna rise,  
When I feel the heat is on and I  
That
