

# Gotthard, Someday

Don't know if it's day or night  
Am I goin' wrong or right ?  
I'm alone again,  
I'm without a friend

Don't know if I'm still alive  
Am I gonna lose my mind ?  
Will I fall again,  
Will I stand the pain

When life takes me by surprise  
Will I just close my eyes ?  
Will I just let it be ?

When life takes all your dreams away  
It's hard to find the way  
The strength to carry on

But I feel these tears will make me strong

Everything is turning grey  
Just waiting for tomorrow, hey  
Gotta find myself  
Gotta break this shell

Cause I won't let it get me down  
Don't wanna wear this ugly frown  
I can start again  
I believe I can

When life takes me by surprise  
I won't just close my eyes  
I won't just let it be

Cause I'll be strong enough to fight  
To know what's wrong or right  
And I will find my way  
Someday, someday..
