

# Gov't Mule, Life On The Outside

Freedom train is coming - all around the  
world  
talking 'bout freedom - yeah bring it  
on

drop what you're doing and climb on  
board  
all it costs you is a song

life  
on the outside  
life on the  
outside

don't worry 'bout the weather -  
it's all in your head  
we're all here for such  
a short time  
we got to learn to live together  
or we might as well be dead  
loosen up, baby  
and have a good time

(chorus)

leave  
behind your baggage - check your head, check your  
head  
life on the outside  
freedom train is  
leaving - be on it, be on it  
life on the  
outside

'inside' is so boring - the old  
man is snoring  
but the young man is dying to  
live  
you won't want to go back - once you're  
rollin' down the track

can't get caught up  
in what they want you to be  
be who you are -  
that is the message  
beautiful world in  
dissonant harmony  
be who you are - that is the  
message  
leave behind your baggage - check your  
head, check your head  
freedom train is leaving  
- be on it, be on it  
life on the  
outside

(chorus)
