

Government Issue, No Rights

WE AIN'T GOT NO RIGHTS!

You say we're guilty of being white

You tell me were gonna hafta fight

You ain't got no rights/You ain't got no laws

We ain't got no rights [x4]

Cops say shut-up or you'll get hit

I'm sick and tired of taking their shit

Somebody better kill'em quick

Somebody hit'em with their own stick
