

Grace Jones, Art Groupie

I'll never write my memoirs,
There's nothing in my book,
The only way you see me an Art Groupie,
I'm hooked.

Some people like to be used,
I've been used and amused,
But that's the way I see me,
My Art Groupie look.

Love me in a picture,
Kiss me in a cast,
Touch me in a sculpture,
Whisper in my mask.

Don't ask me any questions,
My personal life is a bore,
Admire me in glory,
An Art Groupie. That's all.

Love me in a picture,
Kiss me in a cast,
Touch me in a sculpture,
Whisper in my mask.

I'll never write my memoirs,
There's nothing in my book,
The only way you see me an Art Groupie,
I'm hooked.
