

# Grace VanderWaal, Clearly

There's a world outside my door  
I won't know it anymore  
I'm gonna stay here now  
I'm gonna stay here now  
Close the curtains, cut the light  
A bunch of darkness in my mind  
It's gonna take me down  
It's gonna take me down

All the roads I've been before  
Same mistakes always got me shakin'  
And all the signs I once ignored  
In my denial, I didn't want to face them

I can see clearly now  
The rain has gone  
I accept all the things that I cannot change  
Gone all the dark clouds  
The dawn has come  
It's gonna be a bright, bright sunshiny day

There's a world outside my door  
I forced my feet down to the floor  
I'm gonna make it out  
I'm gonna make it out  
Take a breath and say a prayer  
Find the strength in my despair  
It's not gonna take me down  
It's not gonna take me down

All the roads I've been before  
Same mistakes always got me shakin'  
And all the signs I once ignored  
In my denial, I didn't want to face them

I can see clearly now  
The rain has gone  
I accept all the things that I cannot change  
Gone all the dark clouds  
The dawn has come  
It's gonna be a bright, bright sunshiny day  
It's gonna be a bright, bright sunshiny day

All the pain in my sorrow  
Won't change today, only ruin tomorrow  
All the pain in my sorrow  
Won't change today, only ruin tomorrow

I can see clearly now  
The rain has gone  
I accept all the things that I cannot change  
Gone all the dark clouds  
The dawn has come  
It's gonna be a bright, bright sunshiny day  
It's gonna be a bright, bright sunshiny day
