A \square f#m \square d \square a

I came from the backwoods my prospects seemed real good

D \square \square a \square d \square e

For actor or director the future looked bright

A \square f#m \square d \square a

But I ran in with a bad crowd and since then it's just been down

D \square \square a \square d \square e

Alone in the canyon my only companion

Chorus

A \square f#m \square d \square a

I know what they're saying yeah I'll never get back again

D \square \square a \square d \square e

I pushed my luck this time and I'm on the skids

A \square f#m \square d \square a

But I know what I'm doing I just can't stop doing it

D \square \square a \square d \square e

Me and my companion, hell bent to ruin it
