

# Gram Parsons, Do Right Woman

Take me to heart and I'll always love you  
And nobody else could make me do wrong  
Take me for granted, and I'll tag along  
Makes willpower weak, and temptation's strong

A woman's only human  
This you must understand  
She's not just a plaything  
She expects love just like a man

So if you want a do right all day woman  
You gotta be a do right all night man

They say that it's a man's world  
But you can't prove that by me  
So as long as we're together, baby  
You better show some respect for me

So if you want a do right all day woman  
You gotta be a do right all night man  
You gotta be a do right all night man  
You gotta be a do right all night man
