

Granddaddy, Away Birdies With Special Sounds

I woke up in the morning
And they were gone
I look around for them
But they're nowhere
I woke up in the morning
And I looked everywhere
But I think they've gone away
I think they gone away
I looked everywhere for them
But they've gone
I do not know why they've gone away
I do not want them to go away
I woke up in the morning
And they were gone
And I do not want them to go away
