Grateful Dead, Terrapin Station: Terrapin Station

Inspiration, move me brightly light the song with sense and color, hold away despair More than this I will not ask faced with mysteries dark and vast statements just seem vain at last some rise, some fall, some climb to get to Terrapin

Counting stars by candlelight all are dim but one is bright: the spiral light of Venus rising first and shining best, From the northwest corner of a brand-new crescent moon crickets and cicadas sing a rare and different tune

Terrapin Station in the shadow of the moon Terrapin Station and I know we'll be there soon

Terrapin - I can't figure out Terrapin - if it's an end or the beginning Terrapin - but the train's got its brakes on and the whistle is screaming: TERRAPIN
