

Grave Digger, Deus Lo Vult

This is the fascinating tale of the Templars, probably the most powerful and mysterious organisations of the Middle Ages. The Order of the Poor Knights of Christ and the Temple of Solomon originate from a group of nine aristocrats, whose sole aim was the protection of the Holy Land from the Saracens.

So, let us undertake a journey into the past, back to the origin, rise and fall of the Order of the Templars.

A journey, which will lead us to the legendary world of the Knights of the Cross.
