

Grave Digger, Heaven Can Wait

Knights will return
On the waisy be unknown
Times passing by
And tonight turns to red

Wait deadly explain
In this knight of the war
Knights coming down
And the ends be no sure

Heaven can wait
Untill tomorrow

Die when you down
Of the dark unknown edge
Knights comes by
On the time up unknown

Knights will return
For the day coldness eyes
No time to lose
Once be gain primal shine
