

Grave Digger, Killing Time

By God's Grace

I'm the ing

James the 7th

Obey or death I bring

I hunt the Covenanters down

The Wigtownshire martyrs drown

Sixteen eighty five

The Black Year

(Chorus:)

Killing time

Believe in me or you must die

Killing time

Hang the victims hang them high

James Stewart reigns

Blood on his hands

His people tortured

By his own commands

Revolution sweet revenge

Hunt the tyrant off the throne

Sixteen eighty eight

The fall of The House of Stewart

(Chorus:)

Killing time

Kill the tyrant he must die

Killing time

Hang the victims hang them high
