My ruby eyes can see  
All secrets and stories never told  
With shadows I dance  
Sombre castle, Soul aglow  
I have the power  
I have the might  
Morgane le Fay

When I felt my father death  
The Dragon put my mother in disgrace  
Down by the fireplace  
Sowed seed of my evil ways

Don't mess with me  
Do not cross my way  
Or you may play a part  
In my malicious game

I am the devil in disguise  
I bring the evil to your life  
Listen, listen - listen what I say  
My name is - Morgane le Fay

I spoil all happiness  
I reveal unvarnished truth  
Call me the Black Nun  
I am invincible, I never lose
