

Grave Digger, Scotland United

Malcom King
Scots follow you
Into battle
We will go

Conquer Lothian
To the river Forth
Overcome the Angels
Win the war

Defeated Ecgrith
at Nectan's Mere
Subdued the pict
we feel no fear

Forge a kingdom
Take you down
Cut to pieces
In blood you'll drown

Fires in the sky we saw for 30 days they shone
Fate is on our side forever win the scottish throne

[Chorus:]
United, united, we stand
United-united, forever and ever

Into battle
Kill and fight
Forge a kingdom
Scotland unite

Malcom King
You won the right
Take the throne
Scotland united

It's the year 1018
march for your country
to the battle of Carham
We will spell history
