

# Great Big Sea, It's Alright

(San McCann)

Gotta believe in love  
When we're together something always starts  
We're both better off when we are apart  
Some days you hate me I can see it in your eyes  
Seems like lately you can't wait to criticize me

CHORUS:

It's alright we don't have to fight tonight  
It's alright  
It's alright we don't have to fight tonight

Every day I can see the rockets fly  
Over the graves of too many who have died  
Fighting for man or some ancient holy shrine  
I bet your blood runs red just the same as mine

CHORUS

I said love  
Gotta believe in love

How many more of our children have to fall  
And just how high do we have to build these walls  
Fighting has no dignity, it's just a waste of time  
Take my hand, I don't think God will mind

CHORUS (x2)

Gotta believe in love  
Ya gotta believe in love
