

Great White, I Don't Need No Doctor

(Ashford, Simpson, Armstead)

I don't need no doctor, cause I know what's ailing me
I don't need no doctor, cause I know what's ailing me
All I need is my baby, you don't know why I'm in misery
I don't need no doctor, I don't need no doctor
I don't need no doctor, my prescription tells me that
I don't need no doctor, my prescription tells me that
All I need is my baby, you don't know why I'm in misery
I don't need no doctor, I don't need no doctor
I don't need no doctor, I don't need no doctor
Well the doctor said I need rest- ooh ooh
He put me on the critical list- ooh ooh
Keeping me safe from harm- ooh ooh
All I need is her sweet charm- ooh ooh
He gave me a medicated lotion, that wouldn't do
Ooh, yeah my emotion, oh yeah, no doctor no
I don't need no doctor, I don't need no doctor
I don't need no doctor, I don't need no doctor
