

# Great White, I Don't Need No Doctor

(Ashford, Simpson, Armstead)

I don't need no doctor, cause I know what's ailing me  
I don't need no doctor, cause I know what's ailing me  
All I need is my baby, you don't know why I'm in misery  
I don't need no doctor, I don't need no doctor  
I don't need no doctor, my prescription tells me that  
I don't need no doctor, my prescription tells me that  
All I need is my baby, you don't know why I'm in misery  
I don't need no doctor, I don't need no doctor  
I don't need no doctor, I don't need no doctor  
Well the doctor said I need rest- ooh ooh  
He put me on the critical list- ooh ooh  
Keeping me safe from harm- ooh ooh  
All I need is her sweet charm- ooh ooh  
He gave me a medicated lotion, that wouldn't do  
Ooh, yeah my emotion, oh yeah, no doctor no  
I don't need no doctor, I don't need no doctor  
I don't need no doctor, I don't need no doctor
