

Green Apple Quick Step, Alligator

Hiding for the future, hiding because it's the way
She will plant
And give no grief to disposition

She is an alligator
Bet she'll tell you later

I got the key twiddle your head
Cause all the alligators know me
I know

Untold merry tale

With that she will see

With one hell of a
All the better

She is an alligator
Bet she'll tell you later
I got the key, by you and me
Cause all the alligators know me
I got the key, got an idea
Cause all the alligators know me
I told you not to move
And now you feel the powerz

I know
