

# Green Apple Quick Step, Alligator

Hiding for the future, hiding because it's the way  
She will plant  
And give no grief to disposition

She is an alligator  
Bet she'll tell you later

I got the key twidle your head  
Cause all the alligators know me  
I know

Untold merry tale

With that she will see

With one hell of a  
All the better

She is an alligator  
Bet she'll tell you later  
I got the key, by you and me  
Cause all the alligators know me  
I got the key, got an idea  
Cause all the alligators know me  
I told you not to move  
And now you feel the powerz

I know
