Green Day, 2000 Light years away

I sit alone in my bedroom

Staring at the walls

I've been up all damn night long

My pulse is speeding

My love is yearning

I hold my breath and close my eyes and...

Dream about her

Cause she's 2000 light years away

She holds my malakite so tight so...

Never let go

Cause she's 2000 light years away

Years Away!

I sit outside and watch the sunrise

Lookout as far as I can

I can't see her, but in the distance

I hear some laughter,

We laugh together

I hold my breath and close my eyes and...

Dream about her

Cause she's 2000 light years away

She holds my malakite so tight so...

Never let go

Cause she's 2000 light years away

Years Away!

I sit alone in my bedroom

Staring at the walls

I've been up all damn night long

My pulse is speeding

My love is yearning

I hold my breath and close my eyes and...

Dream about her

Cause she's 2000 light years away

She holds my malakite so tight so...

Never let go

Cause she's 2000 light years away
