## Green Day, Burnout

I declare I don't care no more I'm burning up and out and growing BORED In my smoked out BORING room My hair is shagging in my eyes Dragging my feet to hit the street tonight To drive along these shit town lights I'm not growing up, I'm just burning out And I stepped in line to walk amongst the DEAD Apathy has rained on me Now I'm feeling like a soggy dream So close to drowning but I DON'T MIND I've lived inside this mental cave Throw my emotions in the grave HELL, who needs them anyway I'm not growing up, I'm just burning out And I stepped in line to walk amongst the DEAD (3x)
