Green Day, Desensitized

Clenching my teeth tight My head is like a sponge Give it to me free I wanna get ripped off And drown in the airwaves Another fatal wreck On the information highway So go ahead and kill yourselves It all amuses me For I'll be damned to spend my life in hell Another wise ingrate Bring me blood and pain Of a stranger's fate Give it all away Give it to me now I'm desensitized I wanna watch the bomb Blow the masses high I wanna get ripped off And drown in the airwaves Another fatal wreck On the information highway So go ahead and kill yourselves It all amuses me For I'll be damned to spend my life in hell Another wise ingrate Bring me blood and pain Of a stranger's fate Give it all away I wanna get ripped off And drown in the airwaves Another fatal wreck On the information highway So go ahead and kill yourselves It all amuses me For I'll be damned to spend my life in hell Another wise ingrate
