

# Green Day, Dilemma

Welcome to my problems  
It's not an invitation  
This is my dilemma  
And it's my obsession

I was sober, now I'm drunk again  
I'm in trouble and in love again  
I don't wanna be a dead man walking  
I don't wanna be a dead man walking

Welcome to my nightmare  
Where dreams go to disappear  
Sit around in rehab  
Feeling like a lab rat  
Strange days are here again  
And it's getting weirder  
Here's to all my problems  
I just want a drink of poison

I was sober, now I'm drunk again  
I'm in trouble and in love again  
I don't wanna be a dead man walking  
I don't wanna be a dead man walking  
I was sober, now I'm drunk again  
I'm in trouble and in love again  
I don't wanna be a dead man walking  
I don't wanna be a dead man walking

Oh, why  
When I fall asleep tonight  
On the wing and prayer  
Oh, why?  
For despair and obsession on you?  
You, yeah

I was sober, now I'm drunk again  
I'm in trouble and in love again  
I don't wanna be a dead man walking  
I don't wanna be a dead man walking  
I was sober, now I'm drunk again  
I'm in trouble and in love again  
I don't wanna be a dead man walking  
I don't wanna be a dead man walking
