Green Day, Don't Leave Me

I'll go for miles
Till I find you
You say you want to leave me
But you can't choose
I've gone thru pain
Every day and night
I feel my mind is going insane
Something I can't fight

Don't leave me
Don't leave me

A blank expression
Covering your face
I'm looking for directions
For out of this place
I start to wonder
If you'll come back
I feel the rain storming after thunder
I can't hold back

Don't leave me

I'll go for miles
Till I find you
You say you want to leave me
But you can't choose
I've gone thru pain
Every day and night
I feel my mind is going insane
Something I can't fight

Don't leave me
