

Green Day, Platypus (I Hate You)

Your rise and fall
Back up against the wall
What goes around is coming back and haunting you
It's time to quit
Cause you ain't worth the shit
Under my shoes or the piss on the ground

No one loves you and you know it
Don't pretend that you enjoy it or you don't care
Cause now I wouldn't lie or tell you all the things you want
to hear.
Cause I hate you
Cause I hate you
Cause I hate you
Cause I hate you

I heard your sick
Sucked on that cancer stick
A throbbing tumor and a radiation high
Shit out of luck
And now your time is up
It brings me pleasure just to know you're going to die

Dickhead, Fuckface, cock smoking, mother fucking, asshole,
dirty twat, waste of semen, I hope you die HEY

Red eye, code blue
I'd like to strangle you
And watch your eyes bulge right out of your skull
When you go down
Head first into the ground
I'll stand above you just to piss on your grave
