

Green River, Baby Takes

The more I die, the more you live
Baby takes so much to give
The more you heal, the more I ache
Baby gives so much to take
The more you touch, the less I feel
Baby has so much to steal
The more you feel, the less I am
Well, baby stole so much to have

Give until it hurts (4x)

Down inside and dry as a bone
Baby's upstairs all alone
Outside and wet like a fish
Baby took too much to give
Baby never asked to live (4x)
No

Live until it hurts (4x)
