

Green River, Porkfist

Porkfist has the biggest hands
Porkfist is the biggest man

Porkfist big grip on all I see
see saw see saw him swingin' at me
ham hock hack hack keep 'em in line
Grab grab grab all this is mine
The bigger the hand the bigger the man
The fatter the wrists the stronger the grip
The tighter the fist the harder he hits
Porkfist swings at the little pigs
I am....
The biggest beast in this pen!

porkfist has the biggest hands
porkfist is the biggest man
